Registrierbemerkungen.

Die vorliegenden Stücke wollen neben dem Pedal-, Trio- und Manualwechselspiel auch dem *Studium der Farbe* dienen. Die dem Autor vorgeschwebte Registrierung schien anzuzeigen nötig, *ohne daß dieselbe indessen ausschließliche und striktbindende Geltung haben soll*. Sie will vielmehr den Spieler zur Umdeutung der angezeigten Farbwerte in die seiner Orgel einigermaßen entsprechende Instrumentation anregen.

Zum Verständnis der jeder Nr. vorangestellten Registerwahl sei nachstehendes bemerkt: Dem Autor stand zum Instrumentieren nachstehender 22 Studien eine Röversche Orgel von *durchaus milder Intonation* zur Verfügung, an der insbesondere die hier in Frage kommenden 16', 4', 2' und Rohrwerke ziemlich still gehalten sind. Die Hauptcharaktere der Register und die verschiedenen Tonhöhen kehren, entsprechend abgestuft, auf allen Klavieren wieder.

Die nachfolgende, vergleichende Registertabelle — nach Charakteren, Tonhöhen und Stärkegraden — diene als Vorlage zum Umregistrieren für abweichende Dispositionen. Für englische und französische Orgeln ergibt sich folgende Umdeutung:

Deutsche	I	engl. II (Great Organ)	franz. I (Grand Orgue)
„	II (Solo und <i>f</i>)	„ III (Swell Organ)	„ III (Recit)
„	II (<i>p</i>)	„ I (Choir Organ)	„ II (Positif).
„	III (Solo <>)	„ III (Swell Organ)	„ III (Recit)
„	III (<i>p</i>)	„ I (Choir Organ)	„ II (Positif).

Um den Notentext von störender Überladung freizuhalten, wurde nur die deutsche Manualbezeichnung (I, II, III) angegeben, auf welche sich die vorgedruckte Registrierung bezieht.

Für englische und französische Orgeln ergibt sich die Manualisierung und Registrierung nach Gesagtem von selbst.  *An Stelle der eingedruckten kleintypigen Manualbezeichnung I II III, die nur bedingte Geltung hat, sind (ev. abgeändert) große Zahlen I II III, die alsdann unbedingte Geltung haben, handschriftlich nachzutragen.*

Notes on stops.

The present pieces are intended to serve not only for the pedal, trio and manual-changing play, but also for *the study of the colour*. It seemed necessary to indicate the stops the author had in mind, *although they should not have an exclusive, binding value*. They should rather induce the player to transform the values marked into the instrumentation adapted as much as possible to his own organ.

For a better understanding of the stops marked before each No. we add: The author had a Röver organ of *an absolute mild intonation at his disposal* for the instrumentation of the following 22 studies; especially the 16', 4', 2', which are here to be dealt with, and the reed-works are kept rather moderate. The chief characters of the stops and the various tonalities return on all manuals, correspondingly graduated.

The following comparative table of stops — according to character, tonality and degree of force — may serve as a basis when changing the stops for different dispositions. For English and French organs, the transformation has to be done as follows:

Remarques sur les registres.

Les présents morceaux serviront non seulement au jeu de la pédale, du trio et de la variation du clavier, mais aussi à *l'étude de la couleur*. Il semblait nécessaire d'indiquer les registres que l'auteur avait en vue, *sans qu'ils soient toutefois de rigueur et les seuls possibles*. Ils ont plutôt pour but d'animer le joueur à adapter les valeurs indiquées à l'instrumentation correspondant autant que possible à son orgue.

Pour mieux faire comprendre le registre marqué devant chaque No., il y a lieu d'ajouter: Pour l'instrumentation des 22 études suivantes, l'auteur avait à sa disposition un orgue Röver d'une *intonation absolument douce*, dans lequel surtout les 16', 4', 2', dont il s'agit ici, et les jeux d'anches sont tenus assez modérés. Les caractères principaux des registres et les différents tons convenablement gradués reviennent sur tous les claviers.

Le tableau comparatif suivant des registres — d'après les caractères, tonalités et degrés de puissance — servira de base en changeant de registre pour les dispositions différentes. Pour les orgues anglais et français on fera la transformation suivante:

In order to keep the text of the notes free from overcharge, the German designation of the manual (I, II, III) only was marked, to which also the indicated stops refer.

For English and French organs the manual and stops result clearly from what has been said.

 *Instead of the designations of the manual in small figures I II III, which have but a conditional value, large figures I II III (or others) may be put in by hand, which will then have an absolute value.*

Pour éviter de surcharger le texte des notes, on n'a indiqué que la désignation de clavier allemande (I, II, III), à laquelle se réfèrent les registres marqués.

Pour les orgues anglais et français le clavier et les registres résultent clairement de ce qui a été dit.

 *A la place des désignations du clavier en petits chiffres I II III, qui n'ont qu'une valeur conditionnelle, on peut mettre à la main de gros chiffres I II III ou autres qui auront alors une valeur absolue.*

Each system consists of three staves: a treble staff for Manual III, a middle staff for Manual II, and a bass staff for the Pedal. The music is characterized by continuous, flowing sixteenth-note patterns in the manuals, while the pedals play a steady eighth-note bass line. Fingerings (1-5) and breathings (U) are indicated throughout the score. The first system includes a '14.' marking. The second system includes a '7' marking. The third system includes a '5' marking. The score concludes with a final cadence in the manuals and a sustained bass note in the pedals.

This page of musical notation consists of three systems, each with three staves (treble, middle, and bass clef). The music is written in a key signature of one sharp (F#) and a common time signature. The notation includes various musical symbols such as notes, rests, and fingerings, along with dynamic markings like 'II' and 'I'. The first system spans measures 1 to 8, the second system spans measures 9 to 16, and the third system spans measures 17 to 24. The notation is complex, featuring many slurs, ties, and fingerings, indicating a technically demanding piece.

The musical score is written for a Manual and Pedal. The Manual part is in treble and bass clefs, with a key signature of two sharps (F# and C#) and a 4/4 time signature. It begins with a forte (f) dynamic and a 'rapido' tempo marking. The Pedal part is in a single bass clef, also in 4/4 time. The score consists of three systems of music. The first system shows the Manual playing a series of eighth and sixteenth notes, while the Pedal plays a steady eighth-note accompaniment. The second system continues this pattern with some melodic variation in the Manual. The third system features more complex rhythmic patterns and fingerings, with the Manual part showing some grace notes and the Pedal part maintaining its accompaniment. Fingerings are indicated by numbers 1-5 above or below notes. There are also some slurs and ties throughout the piece.

The musical score consists of three systems, each with three staves. The top two staves of each system are for piano, and the bottom staff is for organ. The key signature is G major (one sharp) and the time signature is 4/4. The piano part is highly technical, featuring many accidentals, ties, and fingerings. The organ part provides harmonic support with sustained chords and moving lines. The third system includes the instruction "Org. allargando pleno".
